

Medicare Part D

PEEHIP elected to continue providing prescription drug benefits to Medicare-eligible retirees and covered dependents even when these members are eligible for the new Medicare Part D program. However, if a Medicare-eligible member or dependent chooses to enroll in the Medicare Part D program, he or she will lose the PEEHIP prescription drug coverage.

Medicare-eligible members and dependents still need Medicare Part A and Part B but not Part D. Most Medicare-eligible members and dependents should not enroll in Medicare Part D if they are covered by the PEEHIP Medicare Plus program.
